

CODE OF ETHICS FOR GRAND BETHEL LINE OFFICERS

The following rules for Grand Bethel Line Officers are to help our Daughters and Adults in performing their duties.

1. Any daughter with the title of Grand Bethel Honored Queen is not eligible for the Miss Kansas Pageant, which could result in her holding more than one of these titles at the same time.
2. Each Grand Bethel Line Officer shall have an approved chaperone accompany her to and from any function (other than her own Bethel) when she is representing Job's Daughters. (Representing is defined as being introduced or wearing official regalia. Approved chaperone is defined as parent, guardian, council member, Majority Member or other adult approved by the Grand Guardian and/or Grand Bethel Guardian.)
3. It is highly recommended that the Line Officers not put their names in the drawings for Supreme Bethel officer or representative. They may put their name in for a Supreme Bethel Installing Officer, if eligible.
4. Official regalia (capets and crowns) are to be worn with a white grecian robe, long white slip, white hose, and white flat shoes, or with floor-length white dresses. Tiaras shall be worn with long formal dresses only. Sashes may be worn with short dresses, but not jeans or shorts.
5. Conduct at all times shall be fitting a Job's Daughter according to the By-laws. Any questions from the Line Officers shall be taken to the Grand Guardian or Grand Bethel Guardian.
6. Grand Bethel Line Officers shall realize their primary responsibility is to help Bethels in need. If a Bethel request help, the Line Officer is obligated to go and help, provided that the event does not conflict with school, church or family obligations. (i.e. DeMolay dances are not an excuse for not helping a Bethel when requested to do so.)
7. Daughters and parents or guardians of a Daughter eligible for one of the Grand Bethel Line Officers shall read and sign three (3) copies of this CODE OF ETHICS. They should realize these titles are Honors and should be treated as such. FAILURE TO ADHERE TO THIS CODE OF ETHICS MAY RESULT IN REMOVAL FROM OFFICE.
