

Dear Kansas Bethels,

It's Grand Session Program advertising time! Daughters and Adults can earn commission on both display and classified advertising based on the following schedule.

- Ads postmarked before March 16, 2009 will receive 65 percent commission
- Ads postmarked between March 16 and April 1, 2009 will receive 55 percent commission
- Ads postmarked between April 2 and April 16, 2009 will receive 0 percent commission
- Ads postmarked after April 17, 2009 will not be included in the book and returned to the sender

Please pay special attention to the deadline dates. Strongly encourage your advertisers to mail their ads early so your Daughters may receive the highest commission possible.

There will be no exceptions to these guidelines!

All ads must be paid in full when placing the ad. Do not deduct your commission amount at the time of payment. Ads that arrive without the full amount will be held until the full amount is received. Your commission will be calculated and reported to your Bethel so that it may be deducted from your Grand Session registration fees.

The Grand Guardian has ruled that you may not sell advertising outside your assigned zones. Please contact Donna if you have any questions about this policy.
