

Dear Princesses and Bethel Guardians:

We have been busy making plans for the Installation of the Grand Guardian Council for the 2009 Grand Session in Topeka on Saturday, June 13, 2009 at 7:00 p.m. If we are elected, we would be honored to have those who are Junior and Senior Princesses to participate in the Escort of Distinguished Guests and the Closing Ceremony for the Installation.(if your bethel doesn't have princesses, we would like you to select two girls from your bethel to participate)

Practice for the Installation will be at 9:30 am on Saturday and shouldn't last too long. You would need to be at the practice to participate in the Ceremony. You will need to wear your Official Princess Regalia (white robe, long white slip, white hose, white shoes, Cape and Crown). Dress for the practice will be casual. (shorts and a jobie t-shirt are appropriate)

We are excited and really looking forward to the coming year and working with you during your term as Honored Queen as well as all of the Bethel members.
