Dear Kansas Bethels:

It's time once again to start selling advertising for the Grand Session Program book.

Daughters and adults will earn commission on both display and classified advertising sold based on the following schedule:

- Ads postmarked prior to March 16, 2010 will receive 65% commission.
- Ads postmarked later than March 15, 2010 and prior to April 1, 2010 will receive 55% commission.
- Ads postmarked later than March 31, 2010 and prior to April 15, 2010 will be inserted into the session book on a "space available" basis and **NO** commission will be paid.
- Ads postmarked later than April 15, 2010 will be returned and not included in the session book.

Please pay special attention to the deadline dates and strongly encourage your advertisers to mail their ads early to ensure your daughters receive the highest commission rates possible. There will NO exceptions to these guidelines so please mail early.

All advertising must be "<u>paid in full</u>" when placing the ad.
Please do not deduct any commission at the time of payment.
Your commission will be calculated and reported to you so it may be deducted from your Grand Session registration expenses.

Please read the order forms carefully to ensure that all information is included as requested and that all writing is legible. This is a great way to earn money to go to Grand Session in Topeka this year. Sell to your friends, family, neighbors, local businesses, Masons, Eastern Star, DeMolay and other Masonic supporters.

If you have any questions, please call me at 785-817-7158 or email me at **jobienews@yahoo.com**. Checks **MUST** be made payable to **Grand Session**, do not send cash through the mail.

Please send all money and sales forms to:
