SCHOLARSHIP GRANT RULES & REGULATIONS

The Grand Guardian Council of Kansas, International Order of Job's Daughters, maintains an Education Fund to assist Kansas Job's Daughters for educational purposes. This fund consists of money, obligations, donations, bequests and interest that has accumulated on these monies and is administered by the Educational Fund Committee.

In accordance with the Manual of Rules and Regulations, each year the Committee may authorize the issuance of scholarship grants, such amounts as are recommended and approved by the Finance Committee not to be less than \$1,000 per grant. These awards shall be made only to members who are in good standing and have not reached their majority. The award given shall be a scholarship and not a loan, and shall be made to a recipient subject to these current regulations of the Committee:

- The number of grants and amount of each grant (not to be less than \$1,000 per grant) to be awarded each year shall be based upon the recommendation and approval of the Grand Guardian Council's Finance Committee relative to the amount of funds available for that year.
- Scholarship grant information and applications shall be distributed to Bethels no later than March 15 of each year. The application deadline shall be May 1.
- Award recipients shall be announced at the Annual Session of the Grand Guardian Council of Kansas.
- Scholarship grants will be awarded to a recipient who is enrolled as a "full-time student" for post-secondary education at an accredited 2-year college, 4-year college, vocational-technical school, business or trade school.
- Scholarship grants will be awarded on the basis of: 1) scholastic record, 2) participation in Job's Daughters activities, 3) the intent and sincerity of the applicant to use the funds for education purposes, and 4) financial need (in that order).
- Scholarship grants will be made payable to the educational institution of the recipient's choice.
- If, for any reason, the award recipient does not enroll as a "full-time student" during the academic year immediately following the award or withdraws during the academic year, the scholarship grant will be canceled and is to be returned immediately to the Educational Fund.
- The recipient is eligible to receive only one scholarship grant from this Education Fund. The award is not renewable.

Each applicant shall be required to:

1. Complete the Scholarship Grant Application Form.
2. Write a personal letter of application. The personal letter of application should include the Daughter's reason for pursuing higher education at the institution of her choice, her ultimate vocational and/or personal goals. It should also include her reasons for seeking financial assistance, a brief summary of her Job's Daughters experiences and explanation of the effect they may have had on her future goals, and any other information which she feels may be of benefit to the Committee.
 - The Scholarship Grant Application Form and personal letter of application must be sent by certified mail, return-receipt requested, to the Chairman of the Educational Fund Committee and must be postmarked no later than May 1.
3. The applicant must also see that an official high school transcript and official post-secondary transcript, if applicable, are sent to the Committee Chairman postmarked by May 1. (These do not have to be sent with the application form and personal letter but must be postmarked no later than May 1.)
 - An official transcript should be marked as such by the issuing school and sealed by the school in a stamped envelope addressed to the Education Fund Committee Chairman. It is the applicant's responsibility to ensure that the schools send the official transcripts before the deadline.

If the applicant desires the Committee Chairman to notify her when the transcript is received, she may include, in her application packet with the application form and personal letter, a self-addressed, stamped postcard which will be mailed to the applicant upon receipt of the transcript(s).

It is the applicant's responsibility to ensure that all application materials are properly submitted, that all application rules are followed, and that all deadlines are met.

If the applicant has any questions about any part of the application process, she should notify the Educational Fund Committee Chairman well in advance of the May 1 deadline to ensure herself time to meet the deadline.
