

## Flag Ceremony for Grand Session 2012

To the Bethel Guardians and Kansas Job's Daughters,

It is time again to plan the flag ceremony for the 2012 Grand Session to start off our Thursday night Formal Opening. We need the Guides and Marshals of the January 2011 to June 2012 term to participate. If your Bethel does not have a Guide and/or Marshal please send a Pro-tem to participate. We don't want any Bethel left out. You will need to bring your American Flag and Bethel Flag.

There will be a practice at Grand Session. All participants will need to attend. If a girl cannot attend the practice, please send someone to practice in her place so she can tell the daughter what to expect.

All participants will be in regulation robes and regalia. No capes and crowns are necessary. Please check session schedule for time and place of practice. If you have any questions please feel free to ask me.

Thanks for your cooperation,  
Linda Leavell  
Grand Marshal

Please return by May 1 to: Linda Leavell
