Show Spirit. Win Prizes.

While participating in the #JDISpirit program, Bethels have the opportunity to win prizes. Depending on your points, your Bethel can earn either a White, Silver or Purple Level. Points must be accumulated in each category. There is no minimum per category.

Doc Morgan, Inc. is offering coupon codes corresponding with the different levels. The SGC will provide your Bethel with a code to enter to receive your discount online at jdistore.com. Use your code to buy items such as a promotional banner, new crown cases, or headbands for your new members.

Bethels have 12 months to use their code. Bethels in Brazil have 18 months to use their code, and can contact the Chairman of the Promotion Committee to arrange pickup of items at Supreme Session.
